**TEAM THRIVE**  
Helping Teen Parents & Their Families

*January 2017*

Dear **TEAM THRIVE** Supporter,

Thank you for partnering with Kindred Life Ministries and **TEAM THRIVE**. We are excited to share a team update with you about what we accomplished together in the 2016 racing year.

**TEAM THRIVE** has been in existence now for 6 years and is a fundraising program made up of individuals and families who enjoy racing and desire to support the Kindred Life Ministries mission *to educate, mentor, counsel and encourage teen*

*parents and their families to live the abundant life Christ promises.* This year we had a team of 45 participants who raced over 290 miles and brought in more than \$9,000. **TEAM THRIVE** enables Kindred Life to reach out to the teen mother's extended family and provide the greatest benefit to the child.

Because of its incredible impact on our program we want to make this team even bigger next year and ask that you prayerfully consider joining us again to race, cheer or support **TEAM THRIVE** and consider spreading the word to your friends!

If you would like to join our mailing list or learn more about how you can race for a child whose parent is still in high school, visit us at [KindredLifeMinistries.org](http://KindredLifeMinistries.org).

From all of us with **TEAM THRIVE** at Kindred Life, thank you for your support.

May you have a blessed New Year.
